

# Marriage Licence Statistics\*

Sakura Noskor

September 19, 2024

Marriage Licences in Toronto and how they fluctuate.

## 1 Introduction

You can and should cross-reference sections and sub-sections. We use R Core Team (2023) and Wickham et al. (2019) and Gelfand (2022).

The remainder of this paper is structured as follows. Section 2....

## 2 Data

Some of our data is of penguins (Figure 1).

The figure shows that there is a periodic change in trends between marriage licence and time Figure 1.

## 3 Results

## 4 Discussion

### 4.1 First discussion point

If my paper were 10 pages, then should be at least 2.5 pages. The discussion is a chance to show off what you know and what you learnt from all this.
