# Marriage Licence Statistics*

Sakura Noskor

September 19, 2024

Mariage Licencein Toronto and how they fluctuate.

## 1 Introduction

You can and should cross-reference sections and sub-sections. We use R Core Team (2023) and Wickham et al. (2019) and Gelfand (2022).

The remainder of this paper is structured as follows. Section 2….

## 2 Data

Some of our data is of penguins (Figure 1).

Talk more about it.

And also planes . (You can change the height and width, but don't worry about doing that until you have finished every other aspect of the paper - Quarto will try to make it look nice and the defaults usually work well once you have enough text.)

Talk way more about it.

---

# 3 Results

# 4 Discussion

## 4.1 First discussion point

If my paper were 10 pages, then should be be at least 2.5 pages. The discussion is a chance to show off what you know and what you learnt from all this.

## 4.2 Second discussion point

## 4.3 Third discussion point

## 4.4 Weaknesses and next steps

Weaknesses and next steps should also be included.
